

ADVANCED LEADERSHIP SCHOOL 2015

INFORMATIONAL LETTER

Dear colleagues!

It is my greatest pleasure to introduce the upcoming development project for Khabarovsk MUNRFE Club – the Advanced Leadership School 2015 (ALS-Khv).

The ALS-Khv is a project aimed to broaden and improve knowledge of the participants in core MUNRFE disciplines and to give a deeper understanding of MUNRFE values. During two days of profound lectures and challenging trainings the ALS-Khv participants will plunge into the atmosphere of public-speaking, leadership, project-management, business-English, documents writing and other MUNRFE concepts.

This unique opportunity for fostering your self-development will be provided by experienced MUNRFE members, including current MUNRFE Leadership. The ALS-Khv will be conducted on **March 14-15, 2015**. Our partners from **Far Eastern Institute of International Relations** have gladly provided the venue for the project.

Please, note that the number of the participants is limited to 10. The selection process will be conducted upon the applications submitted by the prospective participants. The applications for participation are attached along with the informational letter. The applications shall be submitted to khv@munrfe.ru no later than **March 8th 23:59 (UTC +10:00)**. The participation is **free of charge**. The participants are expected to have their studying supplies. Coffee breaks will be provided. Finally, the selected participants will be required to accomplish the preparatory assignment received after their approval.

If you have any questions, do not hesitate to ask by contacting me via email.

Elena Kiseleva,
